

## PROTECTIVE SECURITY SOLUTIONS

### Subject Matter Experts – Knowledge Through Experience

King's Knight Group are specialist protective security consultants providing a spectrum of risk management services, designing and delivering bespoke security solutions to governments, corporate clients and individuals worldwide. In today's complex and challenging environments, our clients rely on our business protocols and skills to protect their most valuable assets; their family, businesses, employees and residences.

With uncompromising standards, we have worked for some of the largest and most successful companies worldwide, effectively growing our international reputation to make us the security company of choice. From strategy to implementation, our operatives maintain our quality of excellence, sharing best practices to improve and raise the standards within our industry.

Our motivating force is a committed provision of an unrivalled confidential service to our clients, and our holistic approach adapts to their organisational business cultures and lifestyles. In collaboration with our trusted partners, we tailor intelligence driven strategies to identify, evaluate and mitigate risks, enabling our clients to confidently focus on their business objectives and private lives in safety and with peace of mind.

### Uncompromising Commitment and Integrity

From its inception as King's Knight International in the 1990's, King's Knight Group has maintained delivery of operational, consultancy and training services at the pinnacle of the security industry in an ever changing and increasingly turbulent society.

Today, with over 20 years in supplying specialised security services, King's Knight Group is forged from a wealth of established key figures at the vanguard of international risk management, intelligence and protective security solutions.

### "Exemplo Ducemus" – Leading by Example

With a multi-layered dynamic approach, we advance the highest of ethical standards with a pure dedication to excellence in all aspects. Rising to meet demanding challenges, we lead by example, recognising the necessity for bespoke integrated security solutions, superior levels of professionalism, utmost discretion and confidentiality.

As a leading authority within the protective services industry, our prerequisite is to ensure our operatives, consultants and training instructors are specifically selected according to their skill sets and chosen fields of expertise, matching the exact requirements of our clients. So when a client places their trust in our reputation, their safety and security is our responsibility, and we ensure that wherever the location, whatever the risk, they are in safe and capable hands.
